Campine NV

Statutory auditor's report to the shareholders' meeting on the consolidated financial statements for the year ended 31 December 2012

To the shareholders

As required by law, we report to you on the performance of our mandate of statutory auditor. This report includes our report on the consolidated financial statements as defined below together with our report on other legal and regulatory requirements.

Report on the consolidated financial statements – Unqualified opinion

We have audited the accompanying consolidated financial statements of Campine NV (“the company”) and its subsidiaries (jointly “the group”), prepared in accordance with International Financial Reporting Standards as adopted by the European Union and with the legal and regulatory requirements applicable in Belgium. These consolidated financial statements comprise the consolidated balance sheet as at 31 December 2012, the consolidated income statement, the condensed consolidated overview of the total result, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, as well as the summary of significant accounting policies and other explanatory notes. The consolidated balance sheet shows total assets of 71.664 (000) EUR and the consolidated income statement shows a consolidated loss (group share) for the year then ended of 2.466 (000) EUR.

Responsibility of the board of directors for the preparation of the consolidated financial statements

The board of directors is responsible for the preparation and fair presentation of consolidated financial statements in accordance with International Financial Reporting Standards as adopted by the European Union and with the legal and regulatory requirements applicable in Belgium, and for such internal control as the board of directors determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Statutory auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the statutory auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the group's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the group's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the board of directors, as well as evaluating the overall presentation of the consolidated financial statements. We have obtained from the company's officials and the board of directors the explanations and information necessary for performing our audit.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Unqualified opinion

In our opinion, the consolidated financial statements of Campine NV give a true and fair view of the group's net equity and financial position as of 31 December 2012, and of its results and its cash flows for the year then ended, in accordance with International Financial Reporting Standards as adopted by the European Union and with the legal and regulatory requirements applicable in Belgium.

Report on other legal and regulatory requirements

The board of directors is responsible for the preparation and the content of the directors' report on the consolidated financial statements.

In the framework of our mandate, our responsibility is to verify, for all significant aspects, the compliance with some legal and regulatory requirements. On this basis, we provide the following additional comment which does not modify the scope of our audit opinion on the consolidated financial statements:

- The directors' report on the consolidated financial statements includes the information required by law, is, for all significant aspects, in agreement with the consolidated financial statements and is not in obvious contradiction with any information obtained in the performance of our mandate.
